

The Handbook of Pest Control by Arnold Mallis, 9<sup>th</sup> Edition, will be removed from the list for both the General Household Pest Control Exam and the Fumigation Exams.

The IFAS Publication, General Household Pest Control SM47, is being added to the reference material suggested for preparation for the Florida Pest Control Examination in the General Household Pest and Rodent Control Category starting with the March, 2008 exam.

This book is available at the IFAS bookstore at the University of Florida in Gainesville. The book can be purchased by calling 800-226-1764 or by ordering it online at the following website: [http://ifasbooks.ufl.edu/merchant2/merchant.mv?Screen=PROD&Store\\_Code=IFASBOOKS&Product\\_Code=SM+047&Category\\_Code=PTBK](http://ifasbooks.ufl.edu/merchant2/merchant.mv?Screen=PROD&Store_Code=IFASBOOKS&Product_Code=SM+047&Category_Code=PTBK)
